## MARK BRYAN JOINS PRECISION-LIGHTING AS NATIONAL DIRECTOR OF HUB SERVICES

*Yorba Linda, CA, May, 2008* — Mark Bryan, a lighting management industry veteran with 22 years of progressive industry experience in the areas of commercial, industrial and retail lighting service, retrofit and relighting, has joined Precision-Lighting as National Hub Services Director.

Raymond Pustinger, President/CEO of Precision-Lighting, made the announcement. “Mark comes to Precision with a proven history of teamwork and dedication to serving clients. He has worked with many of our existing staff members over the years and we know he will be an important contributor to our continued growth.” Pustinger further remarked...“Mark will be responsible for Precision’s innovative Service Hub, which is structured to provide traditional factory inside sales and application support, while also serving as a conduit to all of Precisions engineering, marketing, logistical, and sales services. Consistent with our service based culture, the unique and progressive structure of our Service Hub is intended to provide the best possible service experience for our customers as well as career and professional growth opportunities for our staff.”

Prior to joining Precision-Lighting, **Mark Bryan** served three of the nation’s leading lighting service companies; Amtech Lighting Services, Fluoresco Lighting & Signs and American Light / FSG. Mark started his lighting career shortly after completing his Bachelor of Science degree in Business Management from San Diego State University in 1985. His past experience includes serving local, regional and national account clients with maintenance and energy efficient lighting upgrade programs to complete P&L responsibility of over 22 million in annual revenue and leadership of over 200 employees.

Mr. Bryan is a Certified Lighting Management Consultant (NALMCO), an activate member of IES Inland Empire Chapter, local IFMA member and is currently working toward his LEED AP accreditation.
